

aircraft down landings crash pdf

A talk-down landing may be attempted in the event of the death or incapacitation of an aircraft pilot. It involves a passenger or other unqualified person flying the aircraft to a landing with assistance from radioed instructions either from the ground or a nearby aircraft.

Talk-down aircraft landing - Wikipedia

A water landing is, in the broadest sense, a landing on a body of water. Some aircraft such as floatplanes land on water as a matter of course. The phrase "water landing" is also used as a euphemism for crash-landing into water an aircraft not designed for the purpose, an event formally termed ditching. In this case, the flight crew knowingly ...
