Whenever I talk to groups about gender, a common problem arises: people tend to assume that someone has to be on either the left half or the right half of all the continuums above, and when I explain that many people zig zag through the list, they give me blank stares.

### **Breaking through the binary: Gender explained using**

Several recent scientific reviews have examined the nutritional differences between organic and conventional meat. Read on to learn what the researchers found, if organic meat is really better, and what other factors you should consider when buying your next steak dinner.
